Working with industry for industry

We are a science and technology organisation with over 2,400 member companies in 75 countries.

We work closely with our members and clients to ensure that we provide the practical, technical, scientific and regulatory support that enables them to run their business efficiently and cost effectively.

Top 10 Your membership benefits

Free unlimited short enquiries

Contact our experts free of charge when you need advice and support - whether it's a technical or regulatory short enquiry.

20% of your membership fee given back to you to spend with Campden BRI

Use this Member Service Account for project work, services, training or Campden BRI publications, cutting down on administration.

Easy access to our experts

Get in touch directly with our technical experts, contact our Information Team or use our key contacts list at campdenbri.co.uk/memberzone

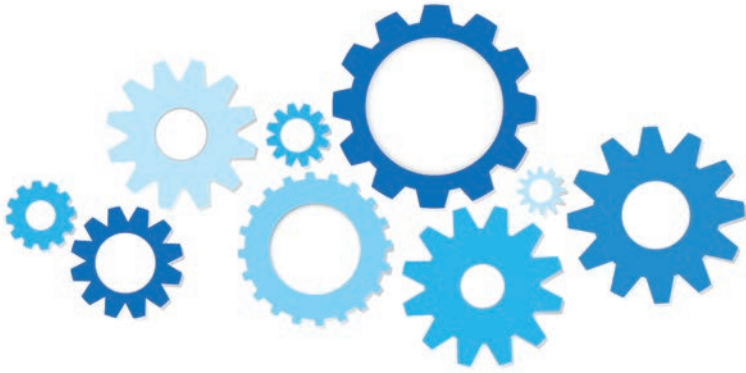

Exclusive discounts

Benefit from generous discounts (typically 20-30%) on our project work, services, on-line databases, training and publications.

Exclusive access to our free Member Interest Groups (MIGs)*

Use these as opportunities for networking, personal development and keeping up to date. The 12 MIGs cover everything from agri-food through processing and preservation to sensory and consumer issues.

* Full-Ordinary Members only

Networking

Mix with industry peers from over 2,400 member companies, at our seminars, conferences, MIGs and open day - our members span the entire food and drink supply chain.

Exclusive topical updates

Keep up-to-date with the latest developments in food and drink legislation and emerging technologies, via:

- Food Law Alert
- Information and regulatory bulletins
- New Technologies Bulletin.

Exclusive access to results from member-funded research

Help select and steer the £2 million annual programme funded by membership fees - so that you can be sure it meets your needs.

Visits and venues

Come and see us. Use our extensive meeting facilities for your own events at very preferential rates, use one of our experts as part of your meeting, or ask for a personalised tour of either the Chipping Campden or Nutfield site.

Exclusive use of the logo 'Member of Campden BRI'

Show your customers and suppliers that you are a member by displaying our membership logo on your website and printed materials.

Visit or get in touch

Members are always welcome to visit us to see our facilities and meet our experts. New members are offered an 'Introductory site tour' to get to know us. You can also use our meeting facilities for your own events. See www.campdenbri.co.uk/memberzone or contact membership@campdenbri.co.uk

Governance

To find out about participating in our governance see www.campdenbri.co.uk/campdenbri/board.php

Membership team

Our dedicated membership team is committed to making your experience at Campden BRI a rewarding one.

Campden BRI Day

A day for members to visit us to network with industry peers and see the latest scientific and technical developments through interactive exhibits
www.campdenbri.co.uk/campdenbri-day.php

Practical application of science and technology - for the food and drinks industry

What our members say about us:

"Joining forces with Campden BRI has provided a vital resource for our rapidly growing company".

"Campden BRI staff are obviously passionate about putting appropriate science and technology to practical use".

"It is very useful having food manufacturing technical experts at the end of the phone whenever we need to bounce an idea around".

"We continue to use Campden BRI for projects and support. The quality of output and standard of science gives us a clear competitive advantage".

"Membership of Campden BRI gives you an encyclopaedia of food under one roof, with the personal touch from many of the industry's leading experts".
