SUMMARY AGENDA

**FEEDING
CITIES
SUMMIT**

GIST

9.00am Arrival

Session One: Review & analysis of existing evidence
- industry experts consider the issues within current legislative framework and planned policy changes - including Mayor's Transport Strategy, London Plan, Industrial Strategy.

Panel Discussion:

CILT(UK), Cranfield, ELUPEG, Global 78... and more

Coffee/Tea break

Session Two:

Keynote Speaker Lucas Dawe,
GIST Commercial Director

The supply chain solutions provider for M&S Simply Food, Starbucks and Eat examines the impact of recent developments in the convenience and food services sectors - Tesco/Booker merger, Co-op/Nisa deal, Bargain Booze/Palmer & Harvey rescue - and explains why now is the time to re-shape the industry.

Lunch

Session Three:

Case study presentations on conventional and convenience grocery distribution in urban areas from major grocery retailers and their service providers

Coffee/Tea break

Session Four:

Future vision for the industry

chetwoods
Chetwood Architects describe their vision for 'The Warehouse of The Future' and present their proposal for the reuse of one of London's hidden pieces of infrastructure: the underground Postal Railway linking Paddington & Liverpool Street.

Interactive discussion:

Open session- delegates are invited to contribute to an industry 'wish list' for presentation to National Infrastructure Commission

Ends 5pm
