Telephone: +44(0)1386 842091
Email address: victoria.murphy@campdenbri.co.uk
Web site address: <http://www.campdenbri.co.uk>

Campden BRI provides scientific, technical, and legislative support to the food, drinks and allied industries worldwide. The practical application of technical excellence lies at the heart of all that we do and is supported by our industry-leading facilities, expertise and knowledge.

From analysis and testing and operational support to knowledge management, all our activities are built on an extensive programme of research and innovation steered by industry to ensure maximum commercial relevance.

We provide services to companies all along the supply chain, but offer discounts, access to expert advice and other benefits for those that come into membership. Many of our clients are major blue chip companies and household names.

Locations

The Campden BRI Group operates from two sites in the UK and a third in Hungary. The role as advertised will be based at the Chipping Campden site but could require from time to time travel to other Group sites.

The site in Chipping Campden employs 300 full or part-time staff. A further 50 staff are employed at the site at Nutfield, Surrey and 20 staff are employed at our site in Budapest, Hungary. We also have a Consumer Test Centre in Leamington Spa.

Department

The Microbiology Department comprises around 50 staff from a wide range of disciplines. It provides essential services to industry through a wide range of contract and research activities. The department is organised into five operational sections: Heat Resistance & Decontamination, Analytical Services, Risk Assessment & Training, Safety & Spoilage, CLAS.

Duties and responsibilities:

- To carry out practical work to agreed protocols and procedures within agreed time frames
- Ensure laboratory records are accurately maintained including where required equipment logs, safety records and experimental results including spreadsheets for reports
- Ensuring the smooth running of the laboratory through assisting with hygiene maintenance and media stock control within the laboratories
- Working within ISO standards to maintain records and proficiencies accordingly

Qualifications and competencies:

- A level/Graduate in biological sciences or equivalent, or at least two years relevant experience
- Work accurately within specified time frames
- Computer literate
- Enthusiastic, proactive team player

Key skills:

- Organised approach to work and the ability to manage own time and priorities
- Good knowledge of Word and Excel
- Enthusiastic interest in Food Science
- Good written and verbal communication skills

Pay and benefits

Salary:	Guide £17,000 to £19,250
Grade:	G1
Holidays:	24 days plus public holidays and a buying/selling holiday scheme.
Pension scheme:	Campden BRI operates a pension scheme
Training:	Campden BRI is committed to ensure all staff receives appropriate training to support their job function and business needs.
Health:	Campden BRI operates a 'permanent health scheme' if you are unable to continue work for health reasons and a 'death in service' scheme.
Others:	Other benefits include subsidised restaurant/vending machine and parking on site.
